**Re: Jack Ball Trust v. Matthew Durst  
Civil No. 12-5255 (JBS/JS)**

Dear Mr. D'Elia:

The Court received your February 19, 2013 letter request for a conference call. The Court is not clear as to what relief you request. You should put in writing the relief you request and then the Court will determine if a conference call is necessary.

Very truly yours,

*s/Joel Schneider*
